Last Updated: June 1, 2021

This Privacy Policy (the “**Policy**”) describes how the website for The Harraseeket Foundation (the “**Site**”), collects, uses, stores, and discloses information you may provide us via the Site. Please read this entire Policy before using or submitting information to the Site. By using the Site, you are deemed to agree to the terms of this Policy, so please do not use the Site if you do not agree with these terms.

The Harraseeket Foundation, including its staff, board members, and advisors (collectively, “Harraseeket” -- referred to herein as “we” or “us”) may update this Policy at any time. Any changes to the Policy will become effective upon the date of our posting of the revised Policy on the Site. If you visit the Site following the effective date of the revised Policy, you will be deemed to have accepted the Policy’s updated terms.

### **I. What Types of Information Does Harraseeket Collect Through the Site?**

The information we collect through the Site includes certain “Personally Identifiable Information” (or “**PII**”), which is information that identifies you as an individual. We collect PII through the Site when you voluntarily provide it, such as by sending us a message through our “Newsletter” form or other forms seeking your input on other pages, including to register for forums and other events. You will be asked to provide your email address, and possibly your first and last name and information about other interests. You may also provide any other information that specific forms seek, such as your interest in hosting a Pathways program, or in volunteering in various capacities to help support Harraseeket’s mission, which would include information about your interests.

In addition to PII, the Site also automatically collects information about you that is generally not PII (“**Non-PII**”) but relates to your use of the Site. Non-PII is aggregated information, demographic information and any other information that does not reveal your specific identity. Non-PII is “passively” collected from you through browser navigational tools, such as cookies, pixel tags, “log files,” “server logs,” and “clickstream data.” These types of technologies enable the Site to compile statistics about our daily number of Site visitors or specific page requests, and to identify a webpage you may have visited before visiting a Site. The Site currently does not respond to a “Do Not Track” browser signal from a user.

Cookies are small data files that a website stores on the hard drive of the device through which a website user connects to the website. You can set your browser to accept all cookies, to reject all cookies, or to notify you whenever a cookie is offered so that you can decide each time whether to accept it. However, refusing a cookie may in some cases preclude you from using, or negatively affect the display or function of, a

Site or certain areas or features of a Site. To learn more about cookies, please visit <http://www.allaboutcookies.org>.

*By using the Site, you are deemed to unambiguously agree to its use of any cookies that you do not disable.*

## **II. How Does Harraseeket Use the Information It Collects?**

- A. PII.** We may use the PII that we collect about you for any or all of the following purposes:
- 1. Responding to Requests.** To respond to your requests, such as to answer questions sent in the forms seeking your interest in supporting us, and through the “Newsletter” link and other pages on the Site requesting responses from you. We also expect to use information we collect when you register for forums and events, to contact you about these forums and events and to suggest other forms of participation in IPC Pathways.
  - 2. Communications with You.** If you register for the Newsletter or tell us of your interest in helping us or in learning more about our programs, we may use your contact information to communicate with you on topics of interest to us relating to Harraseeket’s mission.
  - 3. Improving the Site.** We use PII about you, such as your responses to our online surveys, to help us improve the Site, including by requesting further feedback, and for related internal purposes such as data analysis, audits, identifying usage trends, and enhancing the Pathways program.
  - 4. Furthering our Mission.** We use PII about you, such as your feedback from our surveys, and the specific experiences you have had and describe on the Site, to inform our decision-making as we proceed to fulfill our mission to help communities enrich the career lives of their members.
- B. Other Information.** We may use non-PII for a variety of purposes, primarily Site-usage analyses. If any such use involved combining the non-PII with any data so that it became identifiable to you or another person, we would then treat the information as PII in accordance with this Policy.

## **III. With Whom Does Harraseeket Share PII Collected Through the Site?**

- A. Third Party Service Providers.** We may share PII with unaffiliated third parties who provide us with services, such as the designers of the Site

and others who assist us with technology, data storage, data analysis, or similar services. We do not share PII with unaffiliated third parties for their own marketing purposes.

- B. Acquirers or Assignees.** In the event of any reorganization, merger, sale, joint venture, assignment, transfer or other disposition of all or any portion of Harraseeket or its assets, we may transfer any and all information that we collect from Site users to the acquiring party or assignee.
- C. Entities Entitled Under Law.** We may disclose PII as we believe to be appropriate in the following circumstances: (i) when required by applicable law, including laws outside your country of residence; (ii) to comply with legal process (iii) to respond to requests from public and government authorities; (iv) to enforce the terms and conditions for use of the Site, including this Policy; (v) to protect and defend our rights and property; (vi) to protect the interests of Harraseeket or others; and (vii) to permit us to pursue available remedies or limit the damages that we may sustain. We have no obligation to notify you of such disclosures, except as required by applicable law.

Please note that we are not responsible for correcting, updating or deleting any information in the databases of third parties.

#### **V. How Does Harraseeket Protect and Maintain PII Collected Through the Site?**

- A. Security.** We will take reasonable steps to protect your PII as you transmit it from your computer to our Site and to protect it from loss, misuse, and unauthorized access, disclosure, alteration, or destruction. You should be aware that no Internet transmission is ever fully secure or error-free. In particular, e-mail transmissions may not be secure, and you should therefore take special care in deciding what information you send to us via e-mail. - B. Data Retention.** We will retain PII about you for the period necessary to fulfill the purposes outlined in this Policy.

- VI. Collection of PII by Others.** The Site may contain links to websites operated by parties not affiliated with Harraseeket. These linked sites are not under Harraseeket's control and we are not responsible for the privacy practices or the contents of any such unaffiliated parties or their websites. If you provide PII through any such third-party website, the PII will be collected by, and controlled by the privacy policy of, that third party. We recommend that you familiarize yourself with the privacy policies and practices of any such third parties, which are not governed by this Policy.
- VII. Use of the Site by Children.** The Site is not directed to children under the age of thirteen (13), and we do not knowingly collect PII from any children under age 13. If you are under age 13, please do not submit any PII to us.
- VIII. International Transfers of Information.** By using the Site, you are deemed to understand and unambiguously consent to the collection and processing of your PII in the United States, with the awareness that the laws of the United States may not provide as much protection for PII as the laws of certain other countries or territories.
